Base Camp for Beer Fanatics

Fact Sheet

Join the Schweitzer Mountain Community Association for a celebration of Deschutes Brewery beverages! *Base Camp for Beer Fanatics* features several beers from Oregon's Deschutes Brewery being poured at multiple locations throughout Schweitzer Village and on the mountain, and events to celebrate the golden nectar!

The day starts off with the Deschutes Race to the Base. Racers will load the Great Escape at 8:15am and gather at the top of the mountain with a full cup of beer. At the start signal everyone takes off down Gypsy and picks their own line to the village via one of the pre-approved runs. The first person to touch the Deschutes "Woody" Wagon parked in the village, while still keeping a designated amount of beer in their cup wins! After the race, hang out at the Woody Wagon near the clock tower and enjoy the scene from the snow lounge. Or, if you are up for some skiing adventure, take some laps on the mountain and look for the "Golden Keg" that we've secretly stashed somewhere in-bounds. If you find the keg, bring it back to the Woody Wagon for some sweet Deschutes swag. Then visit the local participating venues and sample the different delicious Deschutes brews. Base Camp lunch will be served during the day at the Woody Wagon, featuring recipes using several of the fine Deschutes beers. The Gourmandie will feature beer and cheese pairing specials, and the Chimney Rock restaurant will have special appetizers, meals and dessert featuring Deschutes products. That afternoon Taps will host the Seattle funk band The Polyrhythmics for a free Base Camp party!
